When was the business started? October 2007

Describe your products/services. New & used items for resale on consignment.

What do you do, product, service or philosophy, which differentiates you from your competitors? We keep prices affordable, have convenient hours, and have an open & airy building, a variety in this business.

How did you get interested and/or started in this business? I used a consignment store as the grandkids started coming. I liked the idea and prices and value of products.

What kind of training or background do you have? I have different types of retail experience including owning a hair salon and retail management.

What have you learned from this business? I have learned to love people; they like to stop and chat. It makes life interesting.

What are your future plans for your business? To hope for growth and have fun.

Do you have a favorite saying that applies to your business? Treat customers as you would like to be treated.

What have been some of the challenges you've faced and how did you work them out? Connecting with all the people necessary to open a small business was a challenge. I just took it step by step, and everything worked out.

What do you find most rewarding about this type of work? The customers and talking with them.

Tell us about your customers. All types looking for a good bargain or a hard-to-find item.
