Describe your products / services: Auto Spa Express: Unique to this area, wash is ideal for maximum quality in less than 5 minutes! Our Express car wash uses less water than washing in your driveway. This is definitely the choice if you want to go GREEN!

Janesville Dog Wash: A do-it-yourself facility that allows you to get your pet clean. No mess at home. No dropping your pet off and waiting. No paying an arm and a leg to get a clean pet! We offer Tub Disinfectant, Puppy Shampoo, Oatmeal Shampoo, Skunk Odor Remover, Flea and Tick Treatment, Conditioner, Rinse, Vacuum Extractor, and Blow Dryer. *All products are tearless and only heated soft water is used.

What do you do, product, service or philosophy, which differentiates you from your competitors? Our goal is to offer the latest technology and premium services with a friendly face at an exceptional value. As a company we work extremely hard to please each and every customer if at all possible.

How did you get interested and/or started in this business? After visiting area dog wash facilities, we wanted to offer a more affordable avenue and clean environment for pet-owners to pamper their pets. No more mess at home is a serious benefit!

What kind of training or background do you have? Between Niki, Tony, and myself, we have over 25 years experience professionally cleaning vehicles. We stay connected with international carwash associations across the world and remain on the forefront of the latest technology and methods.

What have you learned from this business? There is a lot more to washing pets and cars than just soap and water. Keeping pets, cars, and the environment clean is a challenge, but we continually adapt to the dynamics of the industry in order to be successful.

Do you have a favorite saying that applies to your business? Exemplary service at an affordable price!

What have been some of the challenges you've faced and how did you work them out? Cars and pets are always finding new ways to get dirty, so finding new ways to get them clean safely is always a challenge. But with hard work and research we've been able to find extremely effective solutions to these challenges with friendly advice to boot.

What do you find most rewarding about this type of work? Being able to bring the community the best possible service at a great value and having the most environmentally friendly carwashes.

What type of customers use your products / services? We have broad range of services that suit every kind of customer. We can wash any kind of vehicle from hybrids to hotrods! We can wash just about any size dog too - even the big ones, up to 200 lbs.!
